WHERE YOUR ADVENTURE BEGINS

Baden Powell

A week of camp life is worth six months of theoretical teaching in the meeting room.

The Camp Kootaga Foundation is excited to be able to provide a place where young people can develop leadership, character, and a deep appreciation for the outdoors. We thank you for choosing Camp Kootaga, hope you enjoy your week at camp and continue to return for years to come.

CONTACTS AND CAMP MAIL SERVICE

Have a question or suggestions regarding Summer Camp? Don't hesitate to reach out and let us know your thoughts. And make sure to plan ahead to make sure your Scouts receive mail during camp.

Don B. Lowe purchased the property known as Camp Kootaga in 1922. The first long-term summer camp was held that year on the banks of the Hughes River. That camp consisted of one or two troops from the Parkersburg area with Don B. Lowe as the Camp Director. In 1929 Col. R. L. Cole brought a Kiowa Indian named J. Dougannah to help with the camp program. He named the Boy Scout camp "Kootaga" which means "Good Friends"

Through the years, Camp Kootaga has gone through many changes, but one thing has remained constant: helping develop young people into upstanding citizens and outstanding individuals. We would like to extend a sincere thank you on behalf of the adult leaders, campers, and staff to all of those who have given in the past to help make camp Kootaga a place where so many youth have experienced the great outdoors.

First let us say, "Welcome"! We hope you find the Kootaga experience a positive one. Our camp is over 500 acres of rugged

woodland in the mighty Hughes River Valley. The river almost makes our camp an island in the wilderness. The topography ranges from 600 feet above sea level to over 800 feet about seal level at Wind Caves.

CAMPSITES

Each campsite has a shelter with picnic tables to allow your Troop an area to prepare meals or congregate out of the weather. Potable water is available in each site, but electricity is not available. We provide standard BSA issue camp wall tents with tent platforms for campers. One tent for every two Scouts is allotted. Youth Protection Guidelines for ages when pairing youth for tent assignments must be adhered. Please verify prior to your arrival the number attending. We do not provide cots or mattresses/platforms for campers. One tent for every two Scouts is allotted. Youth Protection Guidelines for ages when pairing youth for tent assignments must be adhered. Please verify prior to your arrival the number attending. We do not provide cots or mattresses.

CAMP FEES

SUMMER CAMP REGISTRATION FEE STRUCTURE

(Register on-line at: <https://www.CampKootagaFoundation.org/summercamp/>)

Type of Camper	DINING HALL	SELF SUFFICIENT
Scout	\$325	\$275
Adult	\$150	\$90

The following discounts are available for units paid in full before May 15, 2026:

Scouts: \$15 off

FREE LEADER DISCOUNT

Number of Scouts	FREE Adults
1-4	0
5-10	1
11-20	2
21-30	3

Leaders registered as Merit Badge Counselors teaching merit badges will receive a \$50 discount. Only one discount per leader regardless of the number of merit badges being taught.

Campsite Deposit: \$100 – Applied to your final camp fees.

REFUND POLICY

The following refund policy will be in place for the 2026 camping season. Please read this carefully and if you have questions, please contact the Camp Director.

written request and supporting documentation explaining the reason (e.g. a doctor's note, proof of family emergency, summer school enrollment, etc.). Without such documentation no refunds will be made.

Refund/overpayment requests should be made prior to May 31, 2026. A \$30.00 per person administrative fee will be assessed on all refunds, youth and adult. After May 31, 2025 refunds will only be processed with

All requests must be made to the Camp Kootaga Foundation no later than August 15, 2026. Requests received after the deadline will not be considered.

LEADER'S MEETINGS AND CRACKER BARREL

We will have a Sunday evening Leader's Meeting after dinner, where we will talk about your week at camp and answer any questions.

Leader's meeting Friday morning at 9:00 AM at the Lodge. We will cover any questions about check-out and advancements.

There will be Adult training offered while you are at camp. A list of classes and times will be in your packet at check-in.

Leaders Cracker Barrel on Wednesday, 9:00 PM at the Dining Hall is a social time and chance to discuss your Scouts' progress with their merit badge classes.

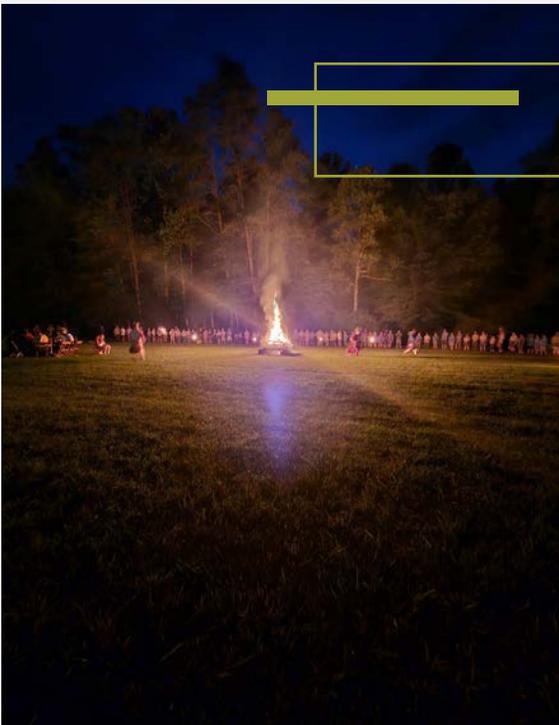

SENIOR PATROL LEADER MEETINGS

There are two Senior Patrol Leader meetings that are scheduled during each week of camp.

The first meeting is Monday afternoon at 1:00 PM at the First Year Camper Shelter. This is an informational meeting to instruct and advise the Senior Patrol Leaders about the activities that are planned for the week. The second meeting is Thursday afternoon at 1:00 PM at the First Year Camper Shelter.

Visitor's night will be on Thursday of each week. No one may enter camp prior to 5:00 pm. **Vehicles are not permitted in the campsite, so visitors need to be prepared to walk from the parking lot to campsites.** You may want to suggest that visitors bring a flashlight and a chair.

All visitors should be out of camp by 10:00 PM. If visitors are coming to dine with a Troop and bringing supplies, a wagon is a good suggestion. The Dining Hall will be closed on Thursday for the evening meal.

MEETINGS AND SPECIAL EVENTS

Things can change between now and when you arrive at camp. Attending Leader's Meetings and Senior Patrol Meetings are a great way to stay informed of what is going on during your week at camp.

Two deep leadership is the policy of Scouting America, at least two Leaders need to be 21 years of age or older.

The Buddy System is in effect during all areas of camp property. No Scout or leader is to be traveling around camp unaccompanied.

No firearms, bows and arrows, ammunition or weapons of any kind are allowed at camp. If brought onto camp property, they will be confiscated for the duration of your week at camp. No fireworks, sparklers, or firecrackers of any kind are allowed.

No alcoholic beverages, controlled substances, or any other unlawful drugs are allowed on camp property. There are NO exceptions to this policy. You will be asked to leave the property.

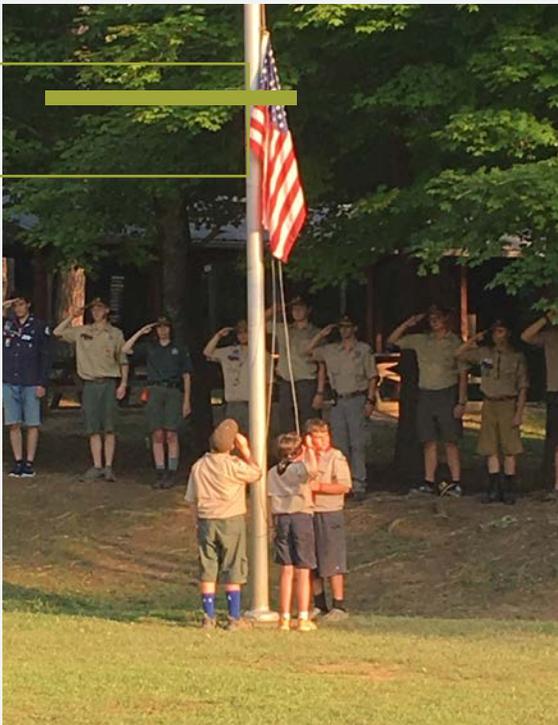

The use of tobacco by anyone under the age of 18 is strictly prohibited. Adults are encouraged not to partake of tobacco products while at camp. This includes electronic cigarettes and personal vaporizers. Use of tobacco products, electronic cigarettes or personal vaporizers should not be used where it can

be seen by youth participants. For those adults that must smoke, the designated area is behind the Dining Hall out of sight of all campers.

All Scouts and leaders are to be appropriately dressed for Scout Camp. Swim wear for males must be board short style and females must wear a one-piece suit. No revealing clothing or offensive logos. Closed toe shoes are to be worn in camp at all times. Flip-flops are only allowed in showers.

No members of the opposite sex are allowed together inside tents, cabins, Adirondacks, bathrooms, etc. National youth protection guidelines will be applied in all situations.

Anyone, Scout or leader, who is leaving camp **MUST** first check out at the Camp Office located at the Lodge. Scouts are not permitted to leave Camp Kootaga unless they are signed out by their adult leader at the Camp Office in the presence of a parent or legal guardian, or other authorized individual. All visitors picking up Scouts at camp must also sign in and sign out.

POLICIES AND PROCEDURES

Although Camp Kootaga is no longer officially affiliated with Scouting America, we still follow all safety and youth protection guidelines and adhere to National Camp Accreditation Standards.

Certain areas are off limits to participants. The Staff Area is restricted to Staff only. Program areas, specifically the pool and aquatics areas, are off limits when unstaffed. Off limit areas, no campers are allowed in any Staff area at any time! The pool and waterfront areas are off limits when unstaffed.

Treat all wildlife with respect, give them space so they do not feel threatened. Do not feed the wildlife, secure all food and garbage in campsites. There is an abundance of wildlife that can be observed while visiting Camp Kootaga.

Our Staff at Camp Kootaga has undergone training so they are prepared for any emergency situation.

Camp Kootaga uses a siren mounted on the shower house to initiate emergency procedures. The siren will sound a series of blasts during an emergency. During an emergency, your responsibility is for YOUR unit. When the siren is sounded, all Scouts should report to the Dining Hall immediately. Scoutmasters should take a head count and report to the staff member in charge that the unit is all accounted for, or report any missing or unaccounted for Scouts and Adults.

Camp will not proceed until all units/campers have been accounted for so please do not delay! Each Unit will be prepared to participate in a practice emergency drill during their stay at camp. Procedures for specific types of emergencies will be reviewed at the opening leaders meeting.

Units may keep both prescription and over-the-counter medications with the unit as long as they are secured. All medications must be kept in their original containers.

Medications must be administered and/or dispensed as follows:

For prescription medications, in accordance with the prescribing health care providers directions.

For over-the-counter (OTC) or non-prescription medications, in accordance with the original label.

An exception may be made for a limited amount of medication to be carried by a camper, leader, parent, or staff member for life-threatening conditions, including epinephrine injector, heart medications and inhalers.

SAFETY

Info@CampKootagaFoundation.org

WWW.CAMPKOOTAGAFUNDATION.ORG

WILDLIFE

Camp Kootaga offers a wide range of exciting adventures including the opportunity to observe many types of birds, fish and other wildlife. Throughout camp you will see numerous animals especially squirrels, snakes, and numerous birds. Undoubtedly the opportunity to observe a raccoon, skunk, turkey, deer or even a black bear will provide lifetime memories.

Animals often will be an exciting part of your adventures. Seeing them in their natural habitat is always a pleasure, but it is wise to remember that they are permanent residents of the camp while you are a visitor. Treat them with respect, give them enough space so they do not feel threatened by your presence, and they'll seldom present a threat to your safety. When an animal feels frightened, threatened, or trapped, it may react by scratching, biting or even attacking. In the event you are injured by a wild animal seek medical treatment quickly at the Camp Health Lodge even if the injury is minor, for a medical professional must determine the need for any possible rabies treatments.

Each of the animals that live and roam throughout Camp Kootaga has its own characteristics and pattern of behavior. Occasionally a black bear may wander through camp. Despite the common name, black bear, they are not always black. They may be blond, brown, or black. They may have a tan muzzle or a white spot on their chest.

Avoidance of bears, skunks, raccoons and most other wildlife can be summed up in one word – FOOD. If an animal doesn't find abundant food, it will move on. Most conflicts between people and wildlife, especially bears and raccoons are related to the careless handling of food and garbage. Learn to live responsibly with wildlife.

Young wildlife sometimes wanders from their parents and appears to be lost or abandoned. In most cases however, the parents know where the youngster is. Taking in or adopting apparently lost or abandoned young animals usually does more harm than good. It is best to leave wild animals in the wild. If the animal is obviously sick or injured, don't approach, pick up or touch the animal, notify the camp ranger or a member of the camp staff.

In accordance with motor vehicle provisions of the BSA's National Camping Standard and Camp Kootaga Policy, roads through campsites and program areas are restricted to authorized vehicles only.

The following rules will apply to the Camp Kootaga summer camping program.

Two vehicles per campsite will be allowed into camp on Sunday for set-up and Friday the evening and/ or Saturday morning for pack-up. The Camp Director will determine the times vehicles are allowed in and out of camp.

The designated parking area shall be the field East of the warehouse. The field beside Sub-Park, and Rotary are considered part of camp and **ARE NOT** designated parking areas. **PARKING AT THE KOOTAGA LODGE IS FOR THE HEALTH OFFICER, CAMP DIRECTOR, AND TRADING POST MANAGER, AND AUTHORIZED CAMP VEHICLES ONLY.**

The Camp Director or their designee may issue a limited number of permits to park at the Dining Hall. These permits must be obtained at the Camp Office after arriving at camp.

All visitors, volunteer merit badge counselors, Scoutmasters, family members, etc., must park in the designated parking lot unless issued a permit for the Dining Hall.

The Camp Director may issue a special permit to park/ drive in camp for medical reasons, special needs etc. Golf carts may be issued a permit after a safety inspection and proof that the driver has taken specific manufacturer's training requirements. Training must be documented and on file at Camp Office. For UTV's and LTV's the operator must have

the hands-on Basic Driver Course component certified by the ROHVA (Recreational Off Highway Vehicle Association) and have the certificate on file at the camp office. This course will not be offered at Camp Kootaga, Leaders are responsible to have this prior to arrival at camp.

All vehicles in camp must be driven by a licensed driver at least 21 years old and have a permit issued by the Camp Director displayed in the window.

Safety belts/ equipment must be used.

NO ONE is permitted to ride in the bed of a truck or tailgate, in a trailer or camper.

All visitors on family night will park in the parking lot. Approved placarded vehicles may be driven to the campsite and parked for the duration of the visit and then driven out of camp upon departure. No vehicle will be allowed into camp after 8:30 am or before 5:00 pm.

1 Trailers are permitted in campsites, but the tow vehicle must be moved to the parking area.

Scoutmasters or family members doing camp service projects for the Camp Ranger must have a permit to drive in camp.

The speed limit in camp is 10 MPH. Roads are Scout walkways during camp season.

Please inform anyone that may be visiting camp of these rules and the requirement to walk into camp and carry items they wish to bring.

Please help us make this a safe and fun camp.

MOTOR VEHICLES AND PARKING

Remember, Camp Kootaga is for Scouts. Please drive accordingly and be aware of Scouts walking and cycling along the road.

Please do not enter camp prior to 1:00 PM for safety reasons.

All Scouts will hike into camp from main parking lot.

All units and vehicles must check-in at Dining Hall before going to your campsite.

We encourage larger units to arrive as early after 1:00 PM as possible to make sure that there is adequate time to proceed through all orientations, including health review and swim tests in a timely manner.

Scout Troops will be accompanied by a Camp Site Guide (CSG) assigned to them to navigate the check-in process. Your guide will meet you in the parking lot and walk in with your unit.

When you arrive in camp, check-in will start with:

- Troop Roster turn in
- Fee settlement

Your unit will receive the following at check-in at the Dining Hall.

- All Scouts and leaders will be issued a security wristband that must always be worn.
- Leaders Packet with info.

Your unit may take two (2) vehicles to the campsite to unload equipment. All vehicles must be returned to parking lot. A Troop trailer may be left in the campsite to assist the Troop. If you have special needs/requests, please contact the Camp Director at least 1 week prior to check-in to make arrangements.

At campsite you will change into swimsuit and towel (remember no open toe shoes/bare feet)

All Scouts and Leaders will go through a medical recheck at the Lodge. NO ONE is permitted to remain in camp without a medical recheck and a properly completed medical form, signed by a physician, on file. Please inform Health Officer of any, and all medical conditions, medications, or special problems that your Scouts and Leaders may have.

Buddy tags are issued by Health Officer at medical recheck prior to swim check.

HEALTH FORMS AND UNIT ROSTER

Your Unit will make several stops during check-in. Having everyone's paperwork easily accessible will speed up the process and get you to your campsite quicker.

Late arrivals will need to contact Camp Director to arrange for medical re-checks, swim test, and other portions of the check-in process. No one may remain in camp without registration or completed medical forms.

Sunday evening at 6:00 PM all Scouts and Scouters will assemble at the Dining Hall for the opening meal. Dinner will be served to all registered Scouts and Leaders regardless of your food program choice.

Following dinner, a Leader's meeting will take place at First Year Camper Area (pavilion near the flags and Lodge). The Troop SPL should accompany at least one unit leader to this meeting.

The entire camp will assemble at the parade ground at 8:15 PM for retreat. Troops will leave immediately for the Opening Campfire.

All first-year campers (those at Camp Kootaga for the first time, this is youth and adults) are encouraged to attend the first-year camper ceremony "Trail to Adventure" immediately following the opening campfire.

It may be helpful to bring a few extra checks to camp if you choose to purchase additional items such as a Troop picture or t-shirts. Your Site Guide will meet you in the parking lot to assist you and your Troop with the Sunday procedures.

CHECK IN

Info@CampKootagaFoundation.org

WWW.CAMPKOOTAGAFUNDATION.ORG

CHECK OUT

All Troops are asked to check out no later than 9:00 AM on Saturday. If you are planning on leaving after that time please be aware that trash pick-up will begin at 8:00 AM and staff assistance will be needed elsewhere beginning at 9:00 AM.

- All Scouts should pack their personal gear and prepare it for transportation.
- All fires must be out cold.
- Non-burnable garbage needs to be put out for pickup or transported to the dumpsters behind the Dining Hall. All loose materials needs to be bagged.
- Return fire tools to proper area in campsite.
- The kybo (latrine) and washstand must be cleaned.
- If you borrowed camping gear/or special equipment from the Camp Ranger, please return them prior to leaving camp.

- Your Staff Guide assigned by the camp will go over the check-out list with you. This needs to be signed off before you pick up forms from the Office to leave camp.
- **Pick up Health Forms and Merit Badge Blue cards at Kootaga Lodge on your way out of camp.**
- **Troops need to turn in your camp evaluation before leaving camp.**

SIGN IN AND SIGN OUT

The sign-in/sign-out log is on the wall outside the Camp Office. Adult Leaders must use this log if leaving camp, so we may know the whereabouts of the Unit Leadership. Scouts are not permitted to leave camp without the permission of the Camp Director or Program Director and Unit Leader. Please use the permission slip located in the "Forms" section. This form should be submitted to the camp office at check-in.

Camp Kootaga operates a fully stocked Trading Post with snacks, drinks, patches, souvenirs, and program items anyone may need during a week at camp. Camp Kootaga t-shirts, hats, toothpaste, camping gear, and official uniform items are also available in case Scouts forgot something at home.

The amount of spending money needed depends on the camper's own circumstances and is at the discretion of the camper and their parents. The average camper spends \$50 at the Trading Post while at camp. Items sold in the Trading Post are subject to applicable sales tax. Some items, such as pocket knives, may be restricted to purchase without a Totin' Chip or adult permission.

The Trading Post will be closed for ALL camp-wide events, including Campfires, Chapel Services, camp-wide photos and Emergency Procedure Drills.

Hours will be included in your leader's packet during check-in and are subject to change.

TRADING POST

Info@CampKootagaFoundation.org

WWW.CAMPKOOTAGAFUNDATION.ORG

FOOD

DINING HALL

Under this plan, the camp fee includes 15 meals starting with Sunday evening dinner and ending with Friday dinner. A continental breakfast is provided for Saturday morning. This can be picked up early on Saturday morning and taken to the campsite.

Thursday night dinner is Family Night and the **DINING HALL IS CLOSED!** Units and families are responsible for their own food. Troops not expecting families to visit will need to check with the Camp Director before Thursday evening. Units are encouraged to invite one or more staff members to have dinner with your troop on this night

The Sunday evening meal is a camp-wide meal (regardless of your meal plan) in the Dining Hall.

SPECIAL DIETS

Advise the **CAMP DIRECTOR** 3 to 4 weeks prior to your arrival at camp of any special dietary needs. Please

use the Special Diet sheet in the Forms section.

SELF-SUFFICIENT TROOPS

All Self-Sufficient Troops will be issued a "Keep it Cold" charts at check-in. The temperature of all perishable items in coolers will be recorded morning, noon and night. Camp Commissioners will be checking coolers. The Keep it Cold chart needs to be posted on or near the coolers.

COOKING EQUIPMENT & EATING UTENSILS

All equipment needed for the preparation and eating of meals in the campsite will be provided by the Troop.

CHARCOAL AND PROPANE USE

An adult Leader must be present in the campsite and must supervise the lighting and use of propane. This is a mandatory safety rule and must be followed without fail. Adult Leaders, please make sure to oversee the use of charcoal.

GARBAGE AND TRASH DISPOSAL

Garbage bags will be provided in each site. After dinner place your securely tied trash bags at the side of the road near your campsite.

The Maintenance Staff will pick up between 7:15 PM and 8:15 PM. Please do not overfill trash bags.

DISHWATER DISPOSAL

Your site guide or Commissioner will advise you to the proper disposal of dishwater. You may also refer to your Boy Scout Handbook.

ICE

If your units needs ice it is at the Dining Hall, but you will need to purchase a ticket at the Trading Post before you pick it up.

MEALTIMES:

Breakfast	8:00 AM
Lunch	12:15 PM
Dinner	6:00 PM

**FOOD FOR THOUGHT
AND ACTIVITY**

Food is crucial to a great camp experience, whether you are eating in the dining hall or self-sufficient. We want to make sure our campers enjoy plenty of delicious food!

BROWNSSEA ISLAND (FIRST YEAR CAMPER' PROGRAM)

HOW IT WORKS

This Program is not intended to make Scouts First Class Scouts during one week at camp. It is intended to supplement the Troop's skills development training and to introduce younger Scouts to the Patrol Method. This Program is designed for new Scouts, those coming to a Scout Camp to work on their Tenderfoot through First Class requirements. The Program is geared toward "hands on" experience for the Scouts so they can master their outdoor skills. Activities will take place in the Trail to Adventure Area, Troop Site, Handicraft Area, Ecology/Nature Center, Outdoor Skills Area, Shooting Sports Complex and Pool.

THE PROGRAM

The Troop has the responsibility for providing Program activities that lead to First Class Rank. The Council can help by providing materials and Staff to assist a Troop in the summer camp Program delivery.

THE PROGRESS REPORT

At the end of the week, a progress report will be presented to the Scoutmaster for new Scouts. This will be a report that reviews what each Scout did during the week. This does not mean that they have completed these skills for their advancements. It is the Scoutmaster's discretion whether the Scout receives credit on their rank requirements.

THE OBJECTIVE OF THE PROGRAM

The objective of this program is to assist the Scouts in mastering skills they will use for the rest of their lives, as well as in Scouting. The Scouts should have an opportunity to enjoy

camp. Guided free time for Scouts will provide a valuable and enjoyable outdoor experience. The Scoutmaster should review each Scout's progress prior to advancing to the next rank. We are here to assist your Scouts in their advancement process. Scoutmasters and Leaders are welcome to participate as well and are invited to join the overnighiter.

The dedicated Scout skills program is from 9 AM-Noon and the 2:00-3:00PM period. Scouts will have the opportunity to test their hand at many skills.

From 3:00-5:00PM Scouts can earn one or two merit badges. Recommended to choose from the Tier One Badges. Scouts will also enjoy open swimming.

The First-Year program also offers an overnighiter on Wednesday night where skills are put to practice. Leaders are encouraged to assist in the program any time and join us for the overnighiter.

Scouts completing the program will receive their Firem'n Chit and Totin' Chip at the Friday night campfire awards. Girl Troops will be required to assign at least one female leader to assist in the overnighiters.

Be sure Scouts bring SWIMMING SUITS AND TOWEL as they will have the chance to swim every day and advance their swimming abilities. It is also helpful for Troops to bring a small tent or an extra tarp for Scouts to bring with them for shelter on the overnighiter. The overnighiter will be hiked in and out, so a backpack/daypack is needed. Most importantly, Scouts should come ready to have fun and be prepared to learn many new things and make new friends from across Ohio, West Virginia and beyond!

FIRST YEAR CAMPERS PROGRAM

Summer Camp is what many Scouts enjoy most. And national BSA surveys show that a Scout has a 300% better chance of remaining in a Scout program if they attend summer camp during their first year.

KOOTAGA IRON MAN (IM)

Are you tough enough to endure Camp Kootaga's Iron Man? The Iron Man will be completed on Friday. To participate in the Iron Man you will start with the grueling mile swim at 6:00AM in the frigid Camp Kootaga pool. Participants will get a little rest before going back out at 10:00 AM for a bike trek across the camp's 500 + acres. Then at 2:00 PM, hike 5 miles of the longest trails around camp. If you last through all that pain and suffering, then you truly earn the right to be a Camp Kootaga Iron Man!

MILE SWIM (IM)

To complete the Mile Swim, you must come to Mile Swim practices all week at 7:00 AM. You will swim the mile on Friday at 6:00 AM under the direction of the Aquatics Director.

BIKE TREK (IM)

Older Scouts join the Sports Director on Tuesday evening for a mountain bike ride on the Camp Kootaga mountain bike trails in preparation for Friday's ride.

HIKING TRAIL SEGMENT

Are you a true Iron Man? Complete all four of the Iron Man (IM) challenges to be considered a true Kootaga Iron Man. Hike the trails and visit the far points of camp to finish the challenge.

CANOE/KAYAK CHALLENGE (IM)

To complete this leg of the Iron Man either earn the canoe or kayak merit badge or canoe or kayak 2 miles.

SPORTS TOURNAMENTS

To participate in the sports tournaments, please contact the Sports Director by Monday night. These tournaments include basketball and disc golf.

CONSERVATION PROJECTS

Please see the Nature Director to set up a time for your Troop to complete a Conservation Project.

DUTCH OVEN COOK-OFF

The Camp Kootaga Staff invites Troops to submit entries in the Dutch Oven Cook-off. Adults may submit an entree, and youth a desert.

CAMP WIDE GAMES

Each Troop is encouraged to participate in the camp wide games. Check for schedules on arrival.

INTER-TROOP CAMPFIRE

On Tuesday evening, Troops are encouraged to hold an inter-Troop campfire with another Troop.

MOSS MAN CHALLENGE

Contact the Sports Director for more information.

Info@CampKootagaFoundation.org

SPECIAL PROGRAMS

WWW.CAMPKOOTAGAFUNDATION.ORG

MERIT BADGES

PREREQUISITES

Some merit badges and program activities have prerequisite requirements shown in this document. Failure to complete the required prerequisites prior to camp will result in the Scout not being able to complete a merit badge. In the case of an activity, the Scout may be excluded from participating. Examples would be a Scout not having a required parental permission form, or a Scout take Lifesaving merit without the required Swimming merit badge first. Documentation needs to be supplied.

REGISTER ONLINE FOR MERIT BADGES PRIOR TO CAMP!

Registration for merit badges should be completed online by June 1st.

Registering online ensures that your Scouts will have the best experience at each of their merit

badge sessions and the camp can have adequate supplies for the Scouts signed up for the camp. Some merit badges require special supplies for each camper which need to be ordered. To allow for adequate shipping of supplies from our vendors, we ask that your Scouts select their merit badges and sign up by June 1st.

Register at: <https://www.CampKootagaFoundation.org/summercamp/>

All Scouts will need a Scoutmaster signed "Blue Card" to attend their merit badge session. Please bring your "Blue Card" to class on Monday. Some merit badges have requirements that cannot be completed in their entirety at camp. Please check the requirements and come prepared. If the requirements are not met the Scout will receive a "partial" card.

Camp Kootaga has a tiered merit badge system to help you and your Scouts. The tier system is designed to make Scouts more successful by recommending merit badges that fit their age and developmental abilities.

The tier recommendations (1-4) loosely correspond to the number of years a boy or girl has been a Scout. Observing the tier system, we shouldn't have a physically small Scout trying to wield a shotgun, or an 11 year old taking Auto Maintenance making opportunity for older Scouts to want to return to camp. No one knows your Scouts abilities as well as the unit leader. Use tier recommendations when helping Scouts select merit badges to take this summer.

It's not all about the Merit Badges, we all know that Scouts and their parents will be caught up in how many merit badges their Scout is earning during camp. Let's be honest, a Scout can earn zero merit badges and still have a very productive camp, and year. The goal should never be quantity, but quality when it comes to their summer camp program plan. Remember that as unit leaders, you are always in charge of your Scouts advancement.

MERIT BADGE SCHEDULE IS SUBJECT TO CHANGE.

ULTIMATE OUTDOOR CLASSROOM

In the outdoors, Scouts have opportunities to acquire skills that make them more self-reliant. They can explore canoe and hiking trails and complete challenges they first thought were beyond their ability.

POLAR BEAR SWIM

The Polar Bear swim starts on Monday and goes through Thursday morning, starting at 7:00 AM and ends at 7:45 AM.

MILE SWIM

The ultimate test of swimming endurance that defines the human spirit, the Mile Swim is scheduled for Friday morning at 6:00 AM. If you are going to swim the Mile Swim, you need to show up to all the Polar Bear Swims for practice: Monday, Tuesday, Wednesday, and Thursday at 7:00 AM.

EVERY SCOUT'S A SWIMMER

Every Scout's a Swimmer is for Scouts who wish to improve upon their swimming ability. Every Scout's a Swimmer begin at 4:00 pm. The purpose of Every Scout's a Swimmer is to increase the ability of the Scout's swimming and to build the Scout's confidence so that by the end of the week they can pass the Swim Test.

SNORKELING BSA

Learn how to snorkel with the best. This challenging course will teach you the proper techniques of snorkeling, the different signals used, and the proper use of the mask,

snorkel, and fins. This course has a high level of difficulty and is for Scouts who have passed the Swim Test given on Sunday. Check with Aquatics Director for availability.

OPEN SWIM

During the week at camp the pool will be available for what we call Open Swim. This is the time for Scouts and Leaders to come and cool off after a hard day at camp. The pool will have Open Swim from 4:00 PM to 5:00 PM Monday through Friday and on Monday and Wednesday evening from 8:00 PM to 9:00 PM. Make sure you come down to the pool for a little fun in the sun or maybe for a little rest and relaxation.

WATERFRONT

Canoeing and kayaking merit badges will be offered at Camp. If water levels are to low or to high the classes will arrange time at North Bend State Park.

As with most Scout camps, the Aquatics program is a focal point and one of the most popular locations in the camp. It is important that appropriate swimwear be worn by both youth and adults. Females must wear a one-piece swimsuit.

PROGRAM ACTIVITIES

Fun in the water is a big part of Scouting's outdoor program. Our programs can include everything from swimming or snorkeling to boating, canoeing, or kayaking.

SWIMMING (Tier 2)

Swimming represents one of the most outstanding skills a Scout can learn. Swimming is important in your Scout training as it provides basic survival and rescue skills, fun and exercise all at the same time.

The Swimming Merit Badge has a moderate level of difficulty and is only offered to Scout who have passed the Swim Test given on Sunday. First year campers need permission from Aquatics Director before taking this badge.

LIFESAVING (Tier 4)

The primary purpose of the Lifesaving Merit Badge is to prepare you to give assistance to those involved in water accidents. Since drowning is the second major cause of accidental deaths for the Scouting age group in the United States, this training can indeed prepare you to save a life.

Because the Lifesaving Merit Badge has a high level of difficulty, it is recommended for stronger swimmers and is only offered

to Scouts who have successfully completed the Swimming Merit Badge. Requirement 1A needs to be completed with the Scoutmaster's approval before camp. Scouts must be prepared to complete requirement 1B on Monday before working on badge.

CANOEING (Tier 4)

The purpose of the Canoeing Merit Badge is to help every Scout become a skilled flat-water paddler, able to maneuver a canoe effortlessly, safely and confidently over waters like those paddled by the original American canoeists.

The Canoeing Merit Badge has a high level of difficulty and is only offered to Scouts who have passed the Swim Test given on Sunday

KAYAKING (Tier 3)

Kayaking has become one of the fastest-growing paddle sports in the US. Scouts will learn that Kayaking BSA introduces kayaking skills and safety procedures and serves as a program opportunity for Scouts.

AQUATICS

Info@CampKootagaFoundation.org

WWW.CAMPKOOTAGAFUNDATION.ORG

ECOLOGY

Our Ecology / Conservation Area is operated under the supervision of a National Camp School Certified Director.

Most classes originate in the Pickering Nature Center located near the end of the parade field.

NATURE NIGHT HIKE

Explore the trails of Camp Kootaga under starlight. Check out what the night life is like at camp, what kinds of animals are running around. Learn a little about the stars and constellations. For these hikes, you will need to sign up with the Ecology Director at the Nature Center.

CONSERVATION PROJECTS

If you're Troop would like to help with or participate in a conservation project to better Camp Kootaga, just get with the Ecology Director during your week of camp and sign up for a Troop project.

INSECT STUDY (Tier 1)

Seventy-five percent of all the animal species on earth are insects. They are found in even the most harsh environments. This merit badge introduces scouts to this healthy, easy, outdoor activity that they can continue to enjoy their entire life. Scouts will learn about a variety of insects, the places they live, and why they are important to our lives. This supports the BSA mission statement by getting scouts in closer contact with their natural world so they make ethical choices to preserve it.

FORESTRY (Tier 2)

Scouts taking this Merit Badge will have fun as they learn about forestry and foresters. You will learn what makes trees grow and how to identify them. You will find that forests change. You also will learn about people and what it takes to be a forester.

ENVIRONMENTAL SCIENCE (Tier 4)

An environmental scientist asks questions about the environment and tries to learn the answers by observing and experimenting. To earn the Environmental Science Merit Badge, you will act like an environmental scientist as you observe and experiment to complete the activities and projects required for the badge.

(Additional work required outside of Merit Badge class)

SOIL AND WATER CONSERVATION (Tier 3)

Conservation isn't just the responsibility of soil and plant scientists, hydrologists, wildlife managers, landowners, and the forest or mine owner alone. It is the duty of every person to learn more about the natural resources on which our lives depend so that we can help make sure that these resources are used intelligently and cared for properly.

NATURE (Tier 2)

In the Nature Merit Badge class, you will explore a typical wildlife community, find out what "plant succession" means, and try to find out how nature works.

(Additional work required outside of Merit Badge class)

WEATHER (Tier 2)

This Merit Badge will teach Scouts about all types of weather and how weather affects different people: farmers, sailors, aviators, and construction companies. Scouts will learn about cold fronts and warm fronts, high and low pressure, and how these affect the weather.

ASTRONOMY (Tier 2)

This Merit Badge will not only give the Scout a chance to learn about some of the Constellations in the night sky, but also learn about different types of telescopes and their uses.

MAKE IT EASY TO BE GREEN

In the Ecology program, Scouts get to study natural habitats, climate, and the effects of human activity on wildlife and natural resources.

LIFE SKILLS

FIRST AID (Tier 2)

First aid is just that – the first aid, the first help, or the immediate care and help given to someone who is hurt or suddenly ill. First aid: the help given before the victim can receive professional medical help could prevent infection and serious loss of blood. It could save a limb or even a life.

EMERGENCY PREPAREDNESS (Tier 3)

Are you prepared to face an emergency? In this Merit Badge, the Scout will not only learn how to react in an emergency, but also Prevention, Protection, Mitigation, Response and Recovery.

FIRE SAFETY (Tier 3)

The ability to use fire safely is essential to human survival. While doing the requirements for the Fire Safety merit badge, Scouts learn about the best ways to prevent fires in their homes and while outdoors. Scouts will also find out what to do if there is an uncontrolled fire.

CITIZENSHIP IN THE WORLD (Tier 1)

Scouts who earn the Citizenship in the World merit badge will discover that they are already a citizen of the world. How good a citizen each person is depends on their willingness to understand and appreciate the values, traditions, and concerns of people in other countries.

CITIZENSHIP IN THE NATION (Tier 1)

As Scouts fulfill the requirements for this merit badge, they will learn how to become active citizens are aware of and grateful for their liberties and rights, to participate in their governments and protect their freedom, helping to defend their country and standing up for individual rights on behalf of all its citizens.

COMMUNICATION (Tier 3)

Communication focuses on how people use messages to generate meanings within and across various contexts, cultures, channels, and media. The field of communication promotes the effective and ethical practice of human communication

LEATHERWORK (Tier 1)

Like any other skill, leatherworking requires knowledge of the raw materials, dexterity with the tools of the trade, and a desire to create. If you have the desire, the other things will come easily.

The Leatherwork Merit Badge has a low level of difficulty. Average cost for the project to complete this Merit Badge will be approximately \$15.00. (Actual cost may vary depending on items purchased.)

BASKETRY (Tier 1)

Basketry is a unique skill that can provide you with many different and interesting projects. Because most baskets tend to take on a special quality that only the minds and hands of their artists can give them, your finished basket will probably be something rare, reflecting your particular craftsmanship.

The Basketry Merit Badge has a low level of difficulty. Anticipated cost for the project to complete this Merit Badge will be approximately \$20.00. (Actual cost may vary depending on items purchased.)

WOODCARVING (Tier 2)

Learn about why different types of woods are used for different projects. Learn to make different types of cuts and how to use and care for the different woodcarving tools.

Average cost for supplies for this Merit Badge \$5.00

AMERICAN INDIAN CULTURE (Tier 1)

Learn about the history of the Native American people as well as aspects of their day-to-day life.

PHOTOGRAPHY (Tier 1)

Beyond capturing family memories, photography offers a chance to be creative. Many Photographers use photography to express their creativity, using lighting, composition, depth, color, and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place, scientific breakthrough, an endangered animal, or a time in history. *You need to bring your own digital camera.

HANDI-CRAFT

Info@CampKootagaFoundation.org

WWW.CAMPKOOTAGAFUNDATION.ORG

STEM PROGRAM

Some of our STEM (Science, Technology, Engineering, & Mathematics) classes or skills classes take place in the Maintenance Shop near the parking lot/entrance to camp. When scheduling you may want to take the travel time into account or plan on bringing a bike for transportation.

ELECTRICITY (Tier 3)

Scouts learn how electricity works, and how to respond to electrical emergencies. They will learn electric wiring, different electric circuits and how to make electricity safely work for us.

PLUMBING (Tier 3)

Scouts will learn how our plumbing systems work and how a properly working system protects our health and safety. They will learn common plumbing materials and techniques to maintain and do simple repairs to a home plumbing system.

ROBOTICS (Tier 3)

Earning the Robotics merit badge requires a Scout to understand how robots move (actuators), sense the environment (sensors), and understand what to do (programming); he/she should demonstrate robot design in building a robot.

SPACE EXPLORATION (Tier 1)

Learn what is really out in space; learn the history behind space exploration, and what we are doing in the present day with our space program.

The Space Exploration Merit Badge has a low level of difficulty. Anticipated cost for the project to complete this Merit Badge will be approximately \$15.00 (Actual cost may vary depending on items purchased.)

Most of these merit badges will begin at the Sports Area shelter between the pool and Dining Hall and beside the basketball court. Meet your Director there and begin your adventures.

PERSONAL FITNESS (Tier 4)

For the Personal Fitness Merit Badge, Scouts will learn the ultimate in keeping themselves physically fit. They will learn what is involved in personal fitness. Scouts will take tests to see how physically fit they are and make a plan to improve these results and carry it out for a 12-week program.

SPORTS (Tier 2)

The Sports Merit Badge is set apart from Athletics and Personal Fitness by the emphasis on organized competition.

CYCLING (Tier 2)

Scouts have made the most of their two-wheel adventures – alone and with fellow Scouts, friends, and family – by earning the Cycling Merit Badge. Whether you just got your first bicycle or have been cycling for years, you’ll learn more

about your bike and what it can do by working on the requirements for this badge.

CHESS (Tier 1)

The USCF (United States Chess Federation) provided the primary contributing writers for the merit Badge Pamphlet. They will be helping to promote the badge through communications with the Chess delegate teams and email blasts, plus website and “tournament news” announcements.

FISHING (Tier 1)

Fishing continues to be one of America’s and Scouting’s most popular activities.

Scouts will learn the parts of the rod and reel. They will learn how to use different types of bait and what kinds of knots are best for fishing. The Fishing Merit Badge requirements do not carry a high level of difficulty, but the Hughes River may lead to a moderate level of difficulty finishing this Merit Badge while at camp.

Info@CampKootagaFoundation.org

SPORTS

WWW.CAMPKOOTAGAFUNDATION.ORG

SHOOTING SPORTS

The Shooting Sports Area is under the supervision of a National Camp School Certified Director.

The Shooting Sports Range was designed and built to provide Scouts with the best introduction to shooting sports possible.

Through the tireless efforts of our Shooting Sports Director and committee we endeavor to keep this program free to Scouts to participate in while at camp.

ARCHERY (Tier 2)

For the Archery Merit Badge, you will learn new skills and share in an adventure as old as history. You will learn the joy of shooting an arrow exactly where you want it to go, and you will gain knowledge of a sport that can last a lifetime. Good luck and good shooting.

(Additional time required outside of the Merit Badge class)

Additional class Wednesday at 1:00PM

NOTE: NO BOWS MAY BE BROUGHT TO CAMP. YOU MUST USE THE SUPPLIES PROVIDED BY CAMP KOOTAGA.

RIFLE SHOOTING (Tier 3)

In the Rifle Shooting Merit Badge class, you will learn the parts of the rifle, the proper technique in shooting a rifle, and, most importantly, the safety of shooting a rifle.

(Additional time required outside of the Merit Badge class)

Additional class Tuesday at 1:00PM

NOTE: NO RIFLES MAY BE BROUGHT TO CAMP. YOU MUST USE THE GUNS AND SUPPLIES PROVIDED BY CAMP KOOTAGA.

SHOTGUN SHOOTING (Tier 3)

For the shotgun shooting Merit Badge you will learn the parts of the shotgun, the proper techniques in shooting a shotgun, and, most importantly, the safety of shooting a shotgun. (Additional time required outside of Merit Badge class)

Additional class Tuesday's at 1:00 PM

NOTE: NO SHOTGUNS MAY BE BROUGHT TO CAMP. YOU MUST USE THE SUPPLIES PROVIDED BY CAMP KOOTAGA.

SHOTGUN 2.0, ADVANCED SHOTGUN COURSE

Class will explore multiple shooting positions and stances. Scouts will learn about multiple sporting opportunities and scholarships to do with shotgun sports. Will have a chance to challenge each other in friendly competition. Learn how to fix minor problems on the range or in the field. Explore and understand the sportsman's role in conservation and stewardship of nature. Have the opportunity to shoot at clays in various directions and situations.

*** Must have shotgun shooting merit badge to take class! ***

RIFLE 2.0, ADVANCED RIFLE COURSE

Class will explore multiple shooting positions. Work as a team in shooter and spotter drills. Learn how to call shots. Learn how to mount and sight in optics on a rifle. Shoot to further distances than the merit badge. Learn how to fix possible problems on the range or in the field. Explore and understand the sportsman's role in conservation and stewardship of nature. Explore different opportunities for recreation and competitive shooters alike. End out the week with a team shoot and score.

*** Must have rifle shooting merit badge to take class!***

OPEN SHOOT AT THE RIFLE RANGE

We are offering Open Shoots for Scouts and Leaders

EVENING SHOTS AT THE RIFLE RANGE

The Rifle range will be open for anyone to shoot for 2 hours after Chapel on Monday and for 2 hours after Retreat on Wednesday.

ARCHERY OPEN SHOOT

We are offering Open Shoots for Scouts and Leaders on Monday and Wednesday evening after activities until dark.

SAFETY AND RESPECT

The purpose of BSA shooting sports is to teach firearm safety while introducing youth to a variety of shooting sports programs.

OUTDOOR SKILLS

The Outdoor Skills Shelter is to the west of the parade field, set back in the trees. The Outdoor Skills program runs under the supervision of a National Camp School Certified Director.

CAMPING (Tier 3)

If you ever find yourself without a piece of equipment, or without any gear at all, you can always rely on your wisdom and resourcefulness to see you through. These are just some of the skills that a Scout will learn while taking this Of all the things you can take with you on a camping trip, the most important thing is knowledge. No item of outdoor gear will be of any use unless you know how to use it properly.

COOKING (Tier 3)

Scouts need ingredients to prepare a good meal. Scouts need other ingredients within them to become a good cook. The Cooking Merit Badge will teach Scouts what ingredients it takes to be a good cook and it will teach them how to cook a good meal.

Location: Scott Clay Cooking Shelter next to the Dining Hall

ORIENTEERING (Tier 2)

If you like to figure things out for yourself, Orienteering is your game. It's much like a road rally, but

you don't need a car to compete. All you need are a map, compass, curiosity and common sense.

PIONEERING (Tier 3)

Pioneering is the knowledge and skill of using simple materials to build structures that are used in a wide range of Scouting activities. These skills are sometimes referred to as "backwoods engineering."

WILDERNESS SURVIVAL (Tier 2)

As Scouts begin the study of Wilderness Survival, their main goal is to learn the techniques needed to earn the Wilderness Survival Merit Badge. Because of their efforts, they will not only achieve their Merit Badge; they will become a special person – one who can be counted on in an emergency. Their knowledge of survival and the ability to use this knowledge intelligently could save their life or the lives of others.

GEOCACHING (Tier 2)

The word geocaching is a combination of "geo" which means "earth," and "cache," which means "a hiding place." Geocaching describes a hiding place on planet Earth – a hiding place you can find using a GPS unit. A GPS (Global Positioning System) unit is an electronic tool that shows you where to go based on information it gets from satellites in space.

CLIMBING (Tier 4)

Location: – Climbing Tower

Climbing is not a sport that requires tremendous muscular strength. It demands mental toughness and

the willingness to practice hard to master sets of skills, problem solving and communication. The adventure of climbing can also provide a new way to enjoy the outdoors.

Info@CampKootagaFoundation.org

CLIMBING

WWW.CAMPKOOTAGAFUNDATION.ORG

There will be an open climb and open rappel during the week, weather-dependent. Days and times will be listed in the final camp schedule that will be handed out as part of the leader's packet.

FORMS

Camp Kootaga Summer Camp has been continuously operating for over 100 years and has provided the summer camp experience to many Scouts in the Buckskin Council and beyond. We are focused on an overall camp experience of developing a love for the outdoors and meeting new people.

We have numerous events that will enhance the overall camp experience. Each week we provide an action-packed experience. We focus on the environment to help improve our knowledge about what we can do to help our planet, and we do our part to mold youth into a good citizen. As youth advances through the program they learn confidence, leadership skills, outdoor skills, and important social skills. Our young campers learn many life lessons that they will not only use in their young lives but as they get older. They learn to step up and get involved. They learn how to deal with difficult situations and how to communicate and work with each other and with adults—all skills that make them successful every day.

Therefore, we think the Summer Camp Program is so important and beneficial, and why we want to give back to the Scouting program by providing a quality program. We want all the youth to

experience success, achievement, accomplishment, and most importantly, fun. Camp Kootaga offers campers many unique and rewarding experiences. Youth who participate in the summer program have fun, experience new adventures, learn outdoor skills, develop leadership skills, and make lifelong friends. The adventures experienced and life skills learned are not typically part of the school curriculum or sports programs. Scouting is a wonderful complement to a boy's academic and physical education. None of this is possible without the involvement of the adult leaders and parent helpers. Historically, youth who benefit most and advance the furthest are those whose leaders are actively involved in the program. Leaders also find this very rewarding.

We encourage all leaders to become involved in the planning process in some manner. We welcome your interest and participation. We look forward to working with you to maintain and enhance the wonderful programs that Camp Kootaga offers.

PERMISSION TO LEAVE CAMP

Troop number _____

We understand that there may be times when a Unit Leader or Scout must leave for one reason or another. We ask that all persons leaving camp notify the Camp Director/ Program Director and sign out.

Below are permission slips for leaving camp. If you have someone who will need to leave, please fill out one of the forms below and present it to the Camp Director upon check-in or in the Camp Office. (A Scout may be denied permission to leave camp if the permission slip is not signed by the parent or guardian.)

Scout _____ will be leaving camp on _____
_____ from _____ AM/PM until _____ AM/PM

For the following reason:

Note who the Scout will be allowed to travel with:

I give the above Scout permission to leave camp on the above-mentioned date and time:

Parent/Guardian _____ Date _____

Leader signature _____ Date _____

Troop # _____ Campsite _____

For office use only:

Form received at check-in, _____

If not reason for late delivery? _____

ID of person Scout is leaving with:

Name _____

Driver's License# if not parent: _____

Time out: _____

Time in: _____

Q. Can 18-year-old Scouts transport other Scouts, if so, what are the qualifications for this?

A. Yes. Drivers must be currently licensed and at least 18 years of age. Scouting youth (under age 18) are not insured under the Boy Scouts of America commercial general liability policy. Transportation guidance can be found in the Guide to Safe Scouting.

SCOUT'S PRE-CAMP CHECKLIST

Each Scout should bring the following items for their personal use at camp.
EVERYTHING should be marked with the Scout's name and Troop number.

CLOTHING

(Remember this is a six-day camp)

- Complete Scout Uniform(s): shirt, shorts, socks, belt, neckerchief, and slide
- Order of the Arrow sash (if a member)
- Hiking boots or sturdy footwear that provides ankle support
- Underwear (bring extra changes)
- Socks (bring extra changes)
- Sneakers or Tennis shoes, **NO OPEN TOE SHOES**
- T-Shirts (appropriate for a Scouts BSA camp)
- Hat
- Shorts
- Long Pants
- Long Sleeve Shirts (one for cool evenings)
- Light jacket or sweater
- Raincoat or poncho

EQUIPMENT

- Cot Sleeping Pad
- Backpack
- Pocketknife
- Canteen / water bottle
- Ground cloth
- Compass
- contacts or eyeglasses
- Flashlight with extra batteries
- watch
- Insect Repellent (non-aerosol type)
- Medication (prescribed by doctor)
- Notebook, Pens, Pencils
- Scout Handbook & Merit Badge Books (also available for purchase in Trading Post)
- Sleeping bag or 2 sheets and 2 blankets and pillow
- Soap (hand and hair)
- Spending money for Program supplies, Handicraft items and Trading Post
- Sun lotion and sunglasses
- Toothbrush, toothpaste and floss
- Totin' Chip and Firem'n Chit Cards (If already earned)
- Towels (for pool use and for shower use) and washcloths
- Current MEDICAL FORM, signed and dated by a Medical Doctor and parent in appropriate places**

ITEMS NOT TO BRING

Sheath knives
Illegal Drugs and Alcohol
Firearms of any kind (rifles, shotguns)
Fireworks
Radios, CD's or TV sets, cell phones,
Electronic games, iPad
Ammunition
Open toe shoes

BADEN-POWELL TROOP AWARD

To earn this award, the troop must complete 10 of the items, including an average of 90 points on the daily campsite inspection form. This form should be initialed by the Scoutmaster and turned in to the Program Director when all items needed have been completed.

1. Attend all camp-wide Flag Lowering ceremonies. _____
SM
2. Set and achieve Troop advancement goals as approved by Scoutmaster. _____
SM
3. Attend Chapel service as a Troop. _____
Camp Director
4. Complete a Conservation Project as a Troop approved by the Nature Director. _____
Nature Director
5. Compete in the Camp-wide Games. _____
Program Director
6. Complete five (5) or more of the following:
 - A. Participate in one of the following Aquatics Activities: _____
1. Canoe Trip
2. Troop choice approved by Waterfront Director
Aquatics Director
 - B. Participate in one of the following Scoutcraft Activities: _____
1. Pioneering Skill
2. Orienteering
3. Dutch Oven Cook-off
Scoutcraft Director
 - C. Participate in one of the following Nature Activities: _____
1. Nature Hike
2. Animal Tracking Skills
3. Troop choice approved by Nature Director
Nature Director
 - D. Participate in one of the following Shooting Sports Activities: _____
1. Troop Rifle Shoot
2. Troop Archery Shoot
Shooting Sports

A. Participate in one of the following Handicraft Activities:

1. Make a Patrol Flag if you don't have one.
2. Develop a Patrol Totem out of wood or leather.
3. Troop choice approved by Handicraft Director.

 Handicraft

B. Participate in an Inter-troop Campfire

 Other Unit SM

C. Participate in an Inter-troop Sporting Event (Basketball, soccer, etc.)

 SPL

D. Participate as a Troop in a Sports Tournament.

 Sports Director

E. Participate as a Troop in a Camp-wide Campfire.

 Program Director

7. Average Campsite Inspection Score _____

 Camp Comm.

Troop# _____ SM/SP OK'd _____ Campsite _____

Camp Director Approval _____

Program Director Approval _____

BADEN-POWELL AWARD

The Patrol Method This award, named in honor of our founder, Lord Baden-Powell, has been designed to provide the Scouts in your Troop the chance to participate in the Patrol Method and have a quality camping experience during their stay at Camp Kootaga. We try to provide many opportunities for a Troop to distinguish itself for its achievements at camp. Contest and competition are an active and important part of the camp program and the Baden-Powell Award is an excellent tool to foster good Scout camping habits and a sense of competition.

Listed on the Baden-Powell Troop award sheet is a space for the average campsite score. The Commissioner(s) will evaluate each campsite daily. Any Troop who complete the required 10 items and receives a weekly average of 90 or higher will be presented with a Baden-Powell Award Certificate at the end of the week.
